National Institute of Open Schooling(NIOS)

EXPERIENCE

Webority Technologies Pvt Ltd

06/2021 - 09/2021

UI/UX Designer Intern

- Webority Technologies deals with Web Arrangements, Portable Application Improvement, and Cloud Specialists.
- My job: Being a section-level UI/UX Designer, I cover the entire cycle in general, beginning with Client Research, Client Stream, UX Composing, Sketching, Virtual Planning, and Prototyping.
- Member of the core team of Webority Technologies, the team which is responsible right from the R&D on Web Arrangements and Portable Application to their deployment.
- Worked on the user experience across multiple Flash prep products, on mobile and web.
- Worked on Brand Guidelines to create layouts that reinforce a brand's style or voice through its visual touch-points
- Worked with teams on features such that the business goals are met, and functionality is maintained keeping visual consistency across the product intact.

Freelance

10/2019 - 04/2021

UI/UX Designer

- Created user-centered designs by understanding business requirements and user feedback. Created user flows, wireframes, prototypes, and mockups.
- Translating requirements into style guides, design systems, design patterns, and attractive user interfaces.
- Designed user-centered interaction models, wireframes, and screen mockups.

Freelance

07/2019 - 01/2021

Frontend Developer

- Developer duties include determining the structure and design of web pages, striking a balance between functional and aesthetic design, and ensuring web design is optimized for smartphones.
